Dear Friend:

On behalf of the Board of Directors and Staff of the Orléans-Cumberland Community Resource Centre, I would like to thank you for your very generous donation to the Centre's 4th Annual Comedy for the Community evening that was held on October 16, 2010.

This year, we are proud to say that we were able to raise, with your support, over **\$6,500** that will go entirely towards supporting our community through the various FREE programs & services we offer at our Centre. These services and programs include the Emergency Food Program and the Counseling for children, individuals and families programs.

Your support encourages us to increase our efforts to continuously find ways to improve and add to the essential health and community services we offer at the ***Orléans-Cumberland Community Resource Centre.***

We are confident that through your support we will continue to be a vital part of our community.

Kind regards,

Luc Ouellette
Executive Director
